

Cozy Fisherman's Cottage

Ordering food can be as easy as one-two-three while staying at the Cozy Fisherman's Cottage. We can stock the fridge with goodies so you can prepare your own or we can provide fully prepared meals. Order one meal or all three.

All meals are prepared with fresh (sometimes local) ingredients.

Here is a list of suggested menu items. If you have a favorite that is not featured on this menu we can always customize it to

your desire. We also will prepare meals to meet any special dietary requirements you might have. If you want strictly organic ingredients just ask. We want your stay here to be enjoyable and well as healthy. All of our foods are handcrafted from "scratch".
